TEST

L'alta qualità dei lavabi Althea è garantita da scrupolosi e costanti controlli secondo le normative vigenti

The high quality of the Althea washbasins is guaranteed by scrupulous and constant checks according to the regulations in force

UNI EN 14688 REGULATION

Collezione OUTLINE, 2005

STORIA

La **ricerca della forma** unita alla continua **sperimentazione tecnologica** hanno permesso ad **Althea** di fissare le tappe principali dell'**evoluzione del design** nell'ambiente bagno.

The **search for shape** combined with continuous **technological experimentation** have allowed **Althea** to set the main stages of the **evolution of design** in the bathroom environment.

Collezione HERA KONO, 2003

ADATTABILITÀ

Molteplici tipologie di lavabo:
installazione **in appoggio**,
installazione **sospesa**, per **mobile**,
su **colonna**, con **pedini**,
sottopiano o **incasso**.

Multiple types of washbasins:
countertop basins,
wall mounted basins, **furniture basins**,
pedestal basins, with **legs**,
built in or **recessed**.

FORME

Forme organiche e linee geometriche si susseguono nella produzione **Althea** per soddisfare il gusto di una clientela sempre più attenta al design.

Organic shapes and geometric lines follow each other in the **Althea** production to satisfy the taste of a clientele increasingly attentive to design.

STILE

Classico e moderno,
lo **stile Althea** è sempre
inconfondibile.

Classic and modern,
Althea's style is always
distinctive.

VERSATILITÀ

Un design mai banale, lo studio delle esigenze sempre al passo con i tempi, i lavabi **Althea** sono studiati per molteplici contesti d'utilizzo.

A never banal design, the study of requirements always in step with the times, **Althea** washbasins are designed for many contexts of use.

TECNICA

L'esperienza e la capacità produttiva permette ad **Althea** di dare vita a collezioni caratterizzate da profili **EXTRA - SOTTILI**.

Experience and production ability allow **Althea** to give life to collections characterized by **EXTRA - SLIM** profiles.

COLORI

7 COLORAZIONI,
dal bianco lucido alle
tonalità matt delle
superfici Plus+Ton®.

7 COLOURS,
from gloss white to
the matt shades of the
Plus+Ton® surfaces.

Appoggio o sospeso

Il top in ceramica può essere installato in appoggio sul mobile o sospeso a parete con l'ausilio delle staffe metalliche in commercio.

The ceramic top can be installed either on a cabinet or wall mounted with the aid of metal brackets commercially available.

Elementi salva spazio per massimizzare l'ambiente a disposizione.

Il lavabo Set-Up combina la capienza della vasca con l'ingombro minimo del mobile.

Space-saving elements to maximize the available space.

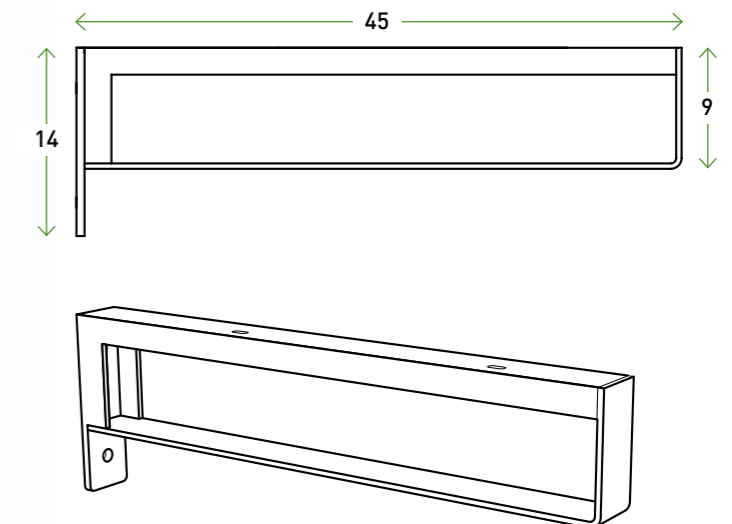

The Set-Up washbasin combines the capacity of the bowl with minimum encumbrance of the cabinet.

WorkTop Towel Rail

L'estrema cura nei dettagli è fondamentale per la soddisfazione del cliente e la scelta di prodotti intelligenti contribuisce ad esaltare l'immagine della struttura alberghiera. Le staffe in acciaio inox spazzolato o cromate, sono perfette per ancorare **WorkTop** alla parete. Il design è studiato per la duplice funzione di portasalviette e staffa di sostegno.

The extreme attention to details is key to customer satisfaction and the choice of clever products enhances the image of the hotel. The brushed stainless steel or chrome brackets, are perfect for anchoring the **WorkTop** to the wall. The design is studied for the dual function of towel holder and support bracket.
